Chief Barger believes that his club has at last struck its stride, besing this confidence on the showing made in the last three games with the Atlanta Crackers. All of the Tribesmen are in good shape with the exception of Red Smith, first string catcher, who still is nursing a wounded finger, which refuses to heal for two more weeks yet.

Ed Danforth, sporting editor of the Atlanta Georgian, who is here watching Miss Alexa Stirling, the fair young Atlantan, play in the Southern tournament, pays the following tribute to the participants in the tourney, which is well merited in every way:

"It may be rainy at the Memphis Country club, but the atmosphere in the galiery is serone. There is not a spark of envy and not a bit of resentituiness among the women golfers at the Southern tournament, that a little redheaded Atlanta girl has come over and walked away with all her opponents. It hink Memphis is just as enthusiastic about Alexa Stirling as Atlanta is. For after all, she is a Southern woman and can retain her national champlonship any day in the week."

Dear Sir—Is Bill Thweatt going to play with the Chicks this season? Isn't Dehaney a better catcher than Meyers? If he is, why did the Memphis club want to dispose of him? Has Pal Moore ever been knocked out? R. W. S. Batesville, Miss.

When Bill finishes with his school teaching duties he may be signed by Memphis if there is room for him on the staff. Dehaney is a good catcher and Meyers is a good catcher. It is a matter of opinion as to which is the better receiver. Pal Moore has never been knocked out.

kiid Elberfeld was chased out of the Little Rock ball park Thursday by Umpire George Blackburn for disputing a decision. The ousting of a ball player carries with it an automatic fine, and as the Kid is being put out regularly every series, the league will soon find litself overburdened with funds.

John Henry Robinson, former star left-hander of the Little Rock club, is having a hard time getting started this year. The Rube is a great pitcher and is undoubtedly of major caliber and would be up there today except for the fact that he didn't have enough pep to suit the big time bosses.

Tri-State Driving Club After Having Been Rained Out, to

FTER HAVING been rained out hast week, the Tri-State Driving club has announced practically the same program for Saturday afternoon. This has been pronounced one of the best cards ever offered at the fairgrounds. There are four well-filled races schedled, each of which promises a realizationtest, every horse entered seems to have an equal chance.

This club, which is composed of business men who enjoy this kind of recreation, race their horses pursely for the sport they get out of it and want it distinctly understood that they do not countenance betting and will not tolerate it on the grounds. In former years betting was carried on to some extent, though never encouraged. This year some of the members of the old Memphis Driving club organized a new association under the name of the Tri-State Driving club, and adopted new rules and regulations strictly prohibiting any gambling on the grounds and so far this season there has been none in evidence.

Then Jess Willard and Jack Dempenter the ring for their 12-round t at Bay View park, Toledo, O., 4 they will compete, probably, beithe greatest crowd that has ever nessed a title boxing bout. This is cated in the reports of the advances of tickets, which has now passed \$270,000 mark, and will probably ch \$500,000. The significance of this advance salesest illustrated through a comparison he the receipts of the Jim Jeffriesk Johnson title bout at Reno back 1910. Purilistic attendance and findal records were created in that test, which will be eclipsed in the theceming bout. The gross receipts aled \$270,775, and the match was witsed \$270,775, and the match was witsed by a crowd estimated at been 15,000 and 20,000. The purse \$121,000.

TOLEDO, O., May 30—Walter Mona-han, who was chief sparring partner for Jess Willard when the champion fought Jack Johnson at Havana, has been granted a furlough from the army and will report here to join Willard's camp next week, according to a message re-ceived today by Ray O. Archer, busi-ness manager of the champion.

The showing Jack Dempsey and Jess Willard have made against the four men both have met furnishes some mighty interesting dope, although it does not necessarily throw any light on the merits of the two men.

Both men have tacked Arthur Pelkey, Gunboat Smith, Charley Miller and Carl Morris.

Dempsey stopped every one of the four inside of the limit.
Willard did not drop one of them be-Willard did not drop one of the final gong.
Pelkey boxed a 10-round bout with Willard. It was a pank affair, according to New York fans.
Dempsey stopped Pelkey in less than a round at Denver.
Willard and Smith fought 20 rounds to San Francisco. Fans conceded that

smith had the best of the affair. Williard didn't.

Smith met Dempsey twice. The first time, in California, Dempsey dropped the Gunboat in the fourth. The next time, at Buffalo, Smith lasted two younds. He hit the floor nine times before he fell asleen.

After Willard fought a four-round draw with Charley Millor in California, Dempsey slipped the haymaker over on Charley in the first canter.

Willard's work against Morris in the 10-round affair was unsatisfactory to New Yorkers. Dempsey won over Carl on a foul in the sixth round. The next time out Morris walked into one the first time out of his corner.

Champion (?) Pete Herman Gets Draw With Kid Regan

ST. LOUIS, May 30.—Peter Herman, of New Orleans, a bantam title holder and "Kid" Regan, of St. Louis, fought eight fast rounds to a draw here Thursday nigth, according to newspaper critics who saw the bout from the ring-

Herman was given credit for doing all the scientific fighting, but Regain was awarded an equal number of points for aggressiveness and for carrying the milling. Regan won a newspaper de-cision over the champion here four weeks ago.

The French government recently adopted the eight-hour day, which will be universal all over that country.

GOOD PROGRAM Dixie Golf Championship To Be Decided Saturday

Indications Are That Miss Stirling Will Clash With Mrs. Dave Gaut in Finals.

BY BOB PIGUE.

ITH THE FIELD narrowed down to four participants, and with the semifinal matches being played, the Southern golf championship is one day nearer settlement, and on Saturday afternoon, beginning at 3 o'clock, the title will be decided for another year.

Mrs. Dave Gaut, Miss Alexa Stirling, Miss Minna Beasley and Mrs. R. Paol Towner are shattling in the semifinale, and the survivors will meet Saturday to compete for the coveted champion-ship of Dixie. Miss Stirling, national champion, is favored to win her semi-final match, being parred with Mrs. Towner, and Mrs. Gaut is expected to beat Miss Minna Beasley. However, it is a certain fact that neither Mrs. Gaut or Miss Stirling will have anything resembling a set-up in their matches, for both Miss Beasley and Mrs. Towner have been playing sensational golf throughout the tournament, and if they continue their brilliant play through the semifinals, Mrs. Gaut and Miss Stirling will be forced to extend themselves in order to win. The winners of the semifinals will clash in the finals Saturday morning at 9 o'clock and it is expected that a large gallery will be on hand to witness the contest for Dixle golf honors. Miss Stirling, the young Atlantan, who has been playing in championshin form all during the tournament, has been the center of attraction for the galleries that have been on hand daily, and those who journeyed out to the Memphis Country club to watch this golf wizard perform have not been disappointed, and all have arrived at the same conclusion, viz., that she will be hard to beat out for the championship.

Mrs. Gaut on Her Game.

Mrs. Dave Gant, who has been playing fine golf all through the tournament, came through with her best performance Friday when she eliminated Mrs. Kenneth Duffield, Southern woman champion, in a thrilling match. Mrs. Duffield made a brilliant stand, and fought hard to stave off defeat, but Mrs. Gaut's superior play was too much for the champion, and she lost the match. The scores of this important match were as follows:

QUALIFYING ROUND FOR SMART TROPHY

To Take Place at Colonial Saturday Afternoon.

The qualifying round for the third annual play of the Thos. H. Smart trophy will be held at the Colonial Country club Saturday from 12 o'clock on. One hundred and twenty are expected to enter the qualifying trophy. This is a very handsome trophy, won in 1917 by Meachem Stewart and in 1918 by Dolly Stark. Two matches per week will be played. It is a handleap event and prizes will be given for low gross score and low net score. The play for this trophy has always caused great interest and this year it will be particularly interesting on account of the new difficult course. All handleaps have been raised three strokes on this account.
